Editorial Review

Review
“His vigorous appraisal of contemporary American life is to be admired as much for the perspicacity of his observations as for the contancy of this argument and the scope of his supporting references. . . . Few write with his penetration, intelligence, and historical expertise.” (Kirkus Reviews)

“Formidable intellectual grasp and the kind of moral conviction rarely found in contemporary, value-neutral history and sociology. . . . Lasch is on to something quite real.” (Time)

“Cultural history at its best. . . . Provokes, startles, and keeps the reader arguing with himself as well as with the writer. . . . A book of fundamental importance.” (Bruce Mazlish, Massachusetts Institute of Technology)

“Christopher Lasch has gone to the heart of our culture. The insights into personality and its social context are stunning. This is a courageous, important book.” (Michael Rogin, University of California, Berkeley)

About the Author
Christopher Lasch (1932–1994) was also the author of The True and Only Heaven, The Revolt of the Elites and the Betrayal of Democracy, and other books.
