THE TWELVE STEPS A Spiritual Journey A Working Guide for Healing
By Revised Edition (Preface)

The twelve steps adapted for women which provides spiritual guidance such as biblical verses to relate to each step. The book and study guide were recommended by Hazelden as a spiritual approach for women to have a more in depth, or unique approach in working through the study guide. I also have the book, in new condition, which accompanies the study guide if requested for a very small charge: to share the message in a unique format that women can often relate to : esp. when they have a faith that uses biblical principles.
