Britney's Daddy By Rose St. Andrews

After attorney Britney Milan's life is threatened due to her legal involvement with the mob, she and her husband, Tony, must take cover in witness protection. But Britney misses the thrill of the courtroom and her continual search for excitement frequently puts herself and Tony in danger. When she blows their cover yet again and they have to relocate once more, Tony decides on a drastic course of action. Since his wife has always looked much younger than her thirty-two years, this time she will pose as his eighteen-year-old daughter.

Britney knows she's run out of options, so although she hates the idea, she agrees to call Tony her daddy, wear schoolgirl outfits, and attend Hillcrest Academy. She is shocked to discover that Hillcrest believes in old-fashioned discipline, but after being paddled at school the humiliation of her punishment never fails to jumpstart Britney's desire for her husband.

When Tony discovers that a firm daddy is just what his wife needs, he sets out a new routine for her. Over the course of each week, she is first treated like a teenager, then a little girl, and then a baby. Despite her embarrassment, Britney soon finds that she has never been as happy or fulfilled as she is when her daddy is taking care of her. But can the couple stay hidden forever, or will Britney's old life one day intrude on her new one?
