Brutal Justice: Your Guide to Being a Violent Vigilante, Crime-fighting Superhero By Mark Sewell

Crime is rampant; the City cries in pain. The call is made for a protector, a hero. . .are you that hero?

Do you feel the burning urge to fight evil. . .but maybe you're not quite sure where to start?
* Do I need a stick. . .how about a mask? * Must I develop 6-pack abs before heading off into the night? * What will the neighbours think? Well, you've had your entire life to be normal, and what did that get you? Probably not much. . .or maybe it has; good for you! It's time to get positive, it's time to get crazy; it's time to impose your glorious, indomitable will upon the world at large.
So don't plod through another day at your boring, lame-ass job, surrounded by coworkers that you hate, with a boss you want to shove face-first into a filthy toilet bowl.
Put on your ski mask and grab the old baseball bat. . .it's time to go bash some scum! Justice! Brutality! Ultra-violence!
Heed the call!!!
{Disclaimer: Don't actually heed the call, or you'll end up dead or imprisoned. Reality check. . .sorry.}

Editorial Review

About the Author
Despite owning body armour and a mask, Mark Sewell is actually surprisingly normal. Previous works include Stabman: Diary of a Superhero/Psycho. The author's next book promises to be far more sane.

Users Review

From reader reviews:

Fernando Rowe:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that query above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great and important the book Brutal Justice: Your Guide to Being a Violent Vigilante, Crime-fighting Superhero. All type of book could you see on many methods.
