10:00 tonight at the water tower. Tell no one. -Chaos Club

When Max receives a mysterious invite from the untraceable, epic prank-pulling Chaos Club, he has to ask: why him? After all, he's Mr. 2.5 GPA, Mr. No Social Life. He's Just Max. And his favorite heist movies have taught him this situation calls for Rule #4: Be suspicious. But it's also his one shot to leave Just Max in the dust...

Yeah, not so much. Max and four fellow students-who also received invites-are standing on the newly defaced water tower when campus security "catches" them. Definitely a setup. And this time, Max has had enough. It's time for Rule #7: *Always get payback.*

Let the prank war begin.

Oceans 11 meets *The Breakfast Club* in this entertaining, fast-paced debut filled with pranks and cons that will keep readers on their toes, never sure who's pulling the strings or what's coming next.

Editorial Review

From School Library Journal
Gr 8 Up—Max Cobb flies under the radar—until a prank sets him and several classmates up to take the fall for the high school's legendary Chaos Club. In a quest to prove he's more than ordinary, Max, with his motley crew, decides to take down the club and the school's disliked disciplinarian. But when their slippery slope of vengeance and insensitive pranking enters illegal territory with little to no thought of the consequences, Max is forced to consider that his crew might be worse than their perceived rivals. Crude humor, insecurities, and family expectations ring true in this realistic tale. Actions by the school's administration and teachers strain credulity for the sake of plot. The obvious but not incorrect message that people are more than what they're pigeonholed as is ironically promoted among a cast of archetypes—the exception being fallible yet empathetic and likable Max, whom readers will root for. A baddie's vaguely cartoonish reveal in the final twist may not surprise readers. VERDICT Pop culture references, short chapters, and laugh-out-loud narrative moments make this an additional purchase for reluctant readers or fans of films like The Perfect Score.—Danielle Serra, Cliffside Park Public Library, NJ

Review
"Genre-savvy, clever, and full of "Heist Rules" like "If questioned, be evasive" and "Play to your crew's strengths," this twisty tale is funny, fast-paced, and full of surprises. Newcomer Dinan brings in numerous classic heist elements, including sleight-of-hand, code names, flashback sequences (to show what really happened along the way), and elaborate schemes, leading to one revelation after another. Fans of Ocean's 11 or Leverage-properties Max himself holds dear in his personal playbook-will find a great deal to enjoy in Dinan's debut." - ***Publishers Weekly***

"This caper comedy about an Ocean's 11-style group of high school masterminds will keep readers guessing. " - ***Kirkus***

"Teen readers will delight in the way such totally different individuals begin to cooperate to triumph over their wrongs." - ***VOYA Magazine***

"Pop culture references, short chapters, and laugh-out-loud narrative moments make this an additional purchase for reluctant readers or fans of films like The Perfect Score.
" - ***School Library Journal***

"Funny, clever, and playful, this debut is an enjoyable romp that pairs high-stakes cons with a ragtag gang of highschool misfits." - ***Booklist***

"An engaging and fun read. " - ***SLJ Teen***
