Getting the Buggers to Behave By Sue Cowley

"This book gives you advice on behaviour management that is easily accessible and equally easy to apply. After all, how many of us, snowed under with reports to write and lessons to plan, have time to wade through endless theory? This book provides plenty of information on the basic of behaviour management, lots of tips for controlling your classes, and ideas for managing the physical aspects of the classroom environment. The ideas and advice given are based on common sense observations and strategies that have worked for me. I hope you find this book a useful reference source for your everyday teaching, one that you can turn to for ideas when you need them or to find alternative strategies for dealing with the management of your own class or classes " Sue Cowley

Contains two new chapters on managing confrontation and the effective teacher.

Editorial Review

Review

'The book is well known in the profession...It is a good recommendation for NQTs.'
Pete Henshaw,
SecEd (The Voice for Secondary Education)

Listed as the 3rd out of the ten top titles for newly qualified teachers
Headteacher Update, 1 January 2009
(Lisa Donegan)

'Children are not the enemy - they are children - even the 18 year olds - and this book offers much sound advice to keep you sane and happy through your teaching career. This is an excellent guide to one of the best professions in the world.' (*Amazon.Com Books*)

Praise for the Previous Editions
'...the benchmark in the Practical handbook market′
(*Times Educational Supplement*)

About the Author
Sue Cowley is an expert on behaviour management, and on creative approaches to teaching and learning. She has written numerous bestselling education and parenting books, which have been translated and published around the world. Sue has written for many teaching publications, including the TES and Nursery Education, and she had her own series, 'Manage that Class' on Teachers TV. Sue has also appeared in front of the Education Select Committee, as an expert witness on behaviour in schools. She now works internationally as a trainer and presenter, as well as volunteering in education settings in the UK to ensure that her advice and practice remains relevant to teaching today.

Users Review

From reader reviews:

Bernard Woodley:

People live in this new moment of lifestyle always try to and must have the time or they will get wide range of stress from both everyday life and work.
