Editorial Review

Review

"This volume of familiar myths is both readable and attractive. . . . The author provides a happy introduction to classical mythology." New York Times Book Review Notable Book

"Offers a new and different approach to the old stories which may be of interest both to young readers and to students of legends." Chicago Tribune Editor's Choice

About the Author

Olivia Coolidge was born in London, England, in 1908. She received her education at Somerville College, Oxford University, where her main subjects included Latin, Greek, and philosophy. These studies helped her earn her place in the pantheon on children's literature through her mythological retellings demonstrating careful research and the adriot capacity to bring the past to life.

Users Review

From reader reviews:

Ernest Villa:

What do you think of book? It is just for students because they're still students or it for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby for every other. Don't to be forced someone or something that they don't want do that. You must know how great and important the book Greek Myths. All type of book could you see on many methods. You can look for the internet resources or other social media.

Patricia Rhee:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe can update themselves by examining books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which you should start with. This Greek Myths is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Jenny Perez:

The book untitled Greek Myths contain a lot of information on the idea. The writer explains the girl idea with easy technique. The language is very simple to implement all the people, so do definitely not worry, you can easy to read that. The book was compiled by famous author. The author provides you in the new age of literary works. You can easily read this book because you can continue reading your smart phone, or model, so you can read the book inside anywhere and anytime. If you want to buy the e-book, you can open up their official web-site along with order it. Have a nice study.

Gene Conley:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from a book. Book is composed or printed or outlined from each source that filled update of news. With this modern era like now, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just looking for the Greek Myths when you required it?
