Editorial Review

Amazon.com Review
Not everyone needs a dictionary that's heavier than a Thanksgiving turkey and a vocabulary of 450,000 words. The *Collegiate Dictionary*, a mere 3.5 pounds, is an excellent compromise, with clear definitions and brief etymologies. Few students and professionals will want for words not covered within its 1500-plus pages. Biographical and geographical names are relegated to the index, which also includes a "Handbook of Style." A fine up-to-date starter dictionary (copyright 1996), it's small enough for a student's desk, and comprehensive enough to maintain Merriam-Webster's standards.

About the Author

For more than 150 years, in print and now online, Merriam-Webster has been America's leading and most-trusted provider of language information. All Merriam-Webster products and services are backed by the largest team of professional dictionary editors and writers in America, and one of the largest in the world.

Users Review
