Eighteen year old Milly has always wanted to be someone she's not: prettier, skinnier, more popular… When shortly after Graduation, members of the in-crowd invite her to a barbecue at the local beach, she feels she'll finally be accepted. Only things don't turn out that way and it was all a big, humiliating joke.

Just when things seem hopeless, her protector, the boy she grew up, with turns up and saves her from the bullies. He reassures her she's not as ugly and unwanted as they made her feel, in ways she could have never imagined. When he **makes her his, without protection** in his truck, she realises that her **very first time** is going to be the beginning of a whole new era…
