The Journey from Texts to Translations: The Origin and Development of the Bible By Paul D. Wegner

Though written thousands of years ago, the Bible continues to fascinate and guide readers today. This book explains how the Bible that we use came to be in its present form. Wegner introduces the Bible and its arrangement, describes how the various books were collected into a single canon, examines how the Bible was passed from one generation to the next, explores how and why early versions were produced, and discusses the myriad of English translations. Numerous charts, photos, and illustrations are included.

Editorial Review

Review
Although many people read the Bible, very few people know the history of its making. Wegners book, The Journey from Texts to Translations: The Origin and Development of the Bible, takes you on a journey from the original texts to the most recent English versions. This journey begins with the ancient Hebrew texts of the Old Testament and Greek of both testaments (including the exciting Dead Sea Scroll discoveries at Qumran and New Testament discoveries in Egypt), to the making of many translations - especially in English. Take the journey; Wegners book is an excellent travel guide. -- *Philip W. Comfort, professor of Greek and New Testament at Trinity Episcopal Seminary, visiting professor at Wheaton College, and senior editor of Bible reference at Tyndale House Publishers*

Have you ever wondered about the origins of your Bible or how it relates to other Bibles out there in the marketplace? Have you ever raised the questions why our Bible contains the books it does? Paul Wegners The Journey from Texts to Translations is a virtual treasure trove of information on these and similar questions. He is an expert guide through the maze of information on Bible origins and development. -- *Tremper Longman, Professor of Old Testament, Westamont College*

When it comes to books on the Bible, students are often forced to choose between technical systematic theology or detailed commentaries; a good book on the Bible as Bible is hard to find. Further, what students often look for are "facts" about the Bible (how it came into being, how books were selected, how the manuscripts fared, and how the translations were undertaken) and this book admirably provides the kind of facts students need. Charts are abundant, tables everywhere, and the text clearly written and clarifyingly illustrated. This is a delightful book which will serve generations to come. -- *Scot McKnight, Karl A. Olsson Professor in Religious Studies, North Park University*

From the Back Cover
Although it was written thousands of years ago, the Bible continues to fascinate and guide readers today. The Journey from Texts to Translations explains how the Bible that we use came to be in its present form. In five parts, author Paul Wegner introduces the Bible and its arrangement, describes how the various books were collected into a single canon, examines how the Bible was passed on from one generation to the next, explores how and why early versions were produced, and discusses the myriad of English translations.

"When it comes to books on the Bible, students are often forced to choose between technical systematic theology or detailed commentaries; a good book on the Bible as Bible is hard to find. Further, what students often look for are 'facts' about the Bible (how it came into being, how books were selected, how the manuscripts fared, and how the translations were undertaken) and this book admirably provides the kind of facts students need. Charts are abundant, tables everywhere, and the text clearly written and clarifyingly illustrated. This is a delightful book which will serve generations to come." -Scot McKnight, Karl A. "Although many people read the Bible, very few people know the history of its making. Paul Wegner takes you on a journey from the original texts to the most recent English versions. This journey moves from the

ancient Hebrew texts of the Old Testament and Greek texts of the New Testament, to the many manuscript copies of both testaments, to the making of many translations-especially in English. Take the journey; Wegner's book is an excellent travel guide." -Philip W. Comfort, professor of Greek and New Testament, Trinity Episcopal Seminary

Paul Wegner (Ph.D., King's College, University of London) is professor of Bible at the Moody Bible Institute in Chicago.

About the Author
Paul D. Wegner (Ph.D., King's College, University of London) is professor of Old Testament at Phoenix Seminary, Scottsdale, Arizona.

Users Review

From reader reviews:

Jennifer Stewart:

What do you concerning book? It is not important with you? Or just adding material if you want something to explain what the ones you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every individual has many questions above. They need to answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need that The Journey from Texts to Translations: The Origin and Development of the Bible to read.

Daniel Bravo:

This The Journey from Texts to Translations: The Origin and Development of the Bible book is simply not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is definitely information inside this reserve incredible fresh, you will get information which is getting deeper a person read a lot of information you will get. This kind of The Journey from Texts to Translations: The Origin and Development of the Bible without we recognize teach the one who looking at it become critical in thinking and analyzing. Don't possibly be worry The Journey from Texts to Translations: The Origin and Development of the Bible can bring if you are and not make your case space or bookshelves' turn into full because you can have it in the lovely laptop even cellphone. This The Journey from Texts to Translations: The Origin and Development of the Bible having great arrangement in word and also layout, so you will not sense uninterested in reading.

Kathleen Bosarge:

This The Journey from Texts to Translations: The Origin and Development of the Bible is great e-book for you because the content that is certainly full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great plan word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having The Journey from Texts to Translations: The Origin and

Development of the Bible in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen minute right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. occupied do you still doubt that will?

Julie Bailey:

Many people said that they feel bored stiff when they reading a e-book. They are directly felt the idea when they get a half elements of the book. You can choose the actual book The Journey from Texts to Translations: The Origin and Development of the Bible to make your reading is interesting. Your personal skill of reading talent is developing when you like reading. Try to choose basic book to make you enjoy to study it and mingle the sensation about book and reading especially. It is to be initial opinion for you to like to available a book and examine it. Beside that the book The Journey from Texts to Translations: The Origin and Development of the Bible can to be your brand new friend when you're truly feel alone and confuse in doing what must you're doing of this time.
